# THE OPPORTUNITY

Care 4U Homecare franchisees have the benefit of launching their business with a sustainable and proven model, in an industry that's growing every year. They also enjoy the support of an experienced training team.

We want our franchisee partners to not only feel well-prepared to succeed in the industry, but to be supported throughout the entire process - from enquiry, to opening and recruiting staff, through the life of the business.

Our home care franchise will give you control over your own future while providing a deeper quality of care to clients in the comfort of their own home.

Our priority is to assist and support our clients effectively, and by doing this we hope to provide a better quality of life.

# WHY SHOULD YOU CHOOSE A CARE 4U HOMECARE FRANCHISE?

## TRAINING

When it comes to starting your own business, you never want to go it alone. Luckily, you've got us to help smooth the way!

The Care 4U brand wants all our franchisees to succeed and grow — that's why we offer full training and comprehensive support every step of the way.

## EXPERT TEAM

We want you to benefit from our experience and knowledge.

Our team will help you with the dos and don'ts of running a community care business, from how to promote and deliver the services locally, through to managing employees and operating the business systems.

## IN-DEMAND

The Domiciliary Care market is worth £5.5bn and is growing year on year.

The UK has an aging population. There are currently 11 million people over the age of 65 with 950,000+ people using at home care services.
